

# Spotlight of the Month: Student Mireya

Hello

My Name is Mireya,

I started at clues last year in September 2021, I found out about Clues when I was looking online for Schools near me who taught English.

I looked into clues and saw how they offered free classes online which made it very convenient for me. Clues open many doors for opportunity.

I have learned a lot in the time that I have been here, I first began at the first level, but thanks to clues I am now at an advanced level.

Clues not only offers English course, they also offer computer classes I which I also started I a basic level during my time here I have learned so much, both in English and Computer and I have received many diplomas.

Clues has excellent teachers that love what they do and are amazing at it , the classes here are very fun and enjoyable.

If I was able to accomplish my goals here , you can too!

I hope to see you soon in class and be able to welcome you to this great opportunity.

Mireya 🌸
