

Spotlight of the Month

Computer Teacher Adriana Galvan

We want to spotlight CLUES' adult computer teacher, Adriana Galvan, who was named Outstanding Teacher of the Year.

Adriana, Spanish-Speaking Community Specialist at the Saint Paul Public Library, was named Outstanding Teacher of the Year by the Coalition on Adult Basic Education (COABE)!

Adriana has taught the adult [computer classes](#) at CLUES since 2019. She does an amazing job connecting with her students and giving them the individualized support they need to grow their digital literacy skills. Congratulations, Adriana, for this well-deserved recognition! We thank you for all your hard work and dedication.
