

# Spotlight of the Month: Summer 2023 Students & Teachers!

08/11/23. **Thank you** to all our incredible students who worked hard to learn more English, become U.S. citizens, gain career skills, earn certifications in computer skills, and pass GED tests this summer. We celebrate your successes and hard work!

**Thank you** to all our dedicated teachers who volunteer their time and skills to support their students' personal and professional goals. Without our volunteer teachers, CLUES couldn't do the work we do.
